

2018 GRAHAM COOKE LEADER'S SUMMIT

The Kind Intentions of God's Will Prophecy

Beloved, you know what it means to live in places of fruitfulness and I love you for that, but your life is about to increase in ways you cannot even imagine. And you will increase, not just in the fruitfulness of My favor and My blessing, but you will increase because there is an inheritance apportioned to you that you step into and you put on like you would put on new clothes.

This is the moment when you can take all the favor and blessing that belongs to you right now and attack the old man and make sure that it is buried. Some of you have buried the old man, but you haven't put a headstone up saying your name and RIP and the date when you put it in the ground and you have no intentions of taking that life back anymore.

You know what it is to take responsibility for being fruitful in all situations. Now you have to learn to take responsibility for being a joint heir with Christ and then later on becoming a full heir with Myself.

The time of lean, the time of barrenness is over. It is over. It is over. It is OVER. You need to know that God is over it, so you need to get over it. It is time to enter into your inheritance and that needs a conversation. It needs a dialogue, it needs forethought. It needs planning. It needs all of us looking each other in the eye and saying, "We are going to do this together. One heart. One mind. One voice. One spirit. We are going to do this together."

We are not coming under the bondage of the elements of this world - All this fear that other ministries and others will create for us in this world. There is no fear in love and you are the Beloved of God.

The vineyard is My fullness for you. Not one tree, but many trees. Not one vine, but many vines of promise and fullness. And I am teaching you to abide at a level you have never lived at before. I am teaching you to live, dwell, remain in a conscious abiding as an heir with Christ and it captures all your thinking. It dominates the way you see and the way you speak. You are taken over by it. You are captivated by it. You are captured by it until you cannot see or think in any other way. Prayers of petition have given way to praise and proclamation.

Beloved, you are unleashed to soar in the Spirit. You are untethered, no longer earth bound in your ability to receive. You are coming under something that is limitless and I want to elevate you. I want you to SOAR into that place of inheritance.

Be filled with the Spirit and the Presence of Christ in you as a joint heir with you, training and developing you with new eyes and new mind and new language and new posture.

- » *A new way to stand, and a new way to walk.*
- » *To live from a place above, not a place below.*
- » *To enter into a land of promise.*

- » *To take responsibility for abiding at a level that no one has ever had in this dimension, in this world*

And I want you, says the Lord,

- » *to enjoy the tests,*
- » *to enjoy the training,*
- » *to lick your lips at the possibility of overcoming in a completely different way,*
- » *to be excited,*
- » *to be empowered to act as though Jesus were living in you,*
- » *to know and see the upgrade attached to every circumstance you will ever encounter,*
- » *to be able to read signs that Heaven is dropping down. Provision this way. Favor over there. Possibilities, right here.*

Because, says the Father, I have a vested interest in helping you pass all your tests. So, I am giving you the Holy Spirit in a new way because He is the most marvelous Cheat Sheet. He is going to take everything that belongs to Jesus and make sure you get it. You are not on your own in this test. We are all in it with you. And you are going to see Us All in a completely different way. Maybe you will see Us for the first time in who We really, really are.

So Beloved, We look forward, we look forward to everything that is going to happen next. We have enjoyed everything so far but We are rubbing our hands with glee, anticipating what happens next. This is the place We have always wanted to come to in the world. And this, it is the right time.

So, Father, I thank You. I thank You for the kind intentions of Your will. I thank You that You already know what You want to be for us. You already know how it is going to work. You are ahead of us right now, marking out the territory, creating the path. You are in advance of where we are. You see everything that is coming up and You are out there allocating all kinds of things in Jesus' Name.

And then You are going to come back and You are going to take us through this territory and we are going to walk with You like we have never done before in the whole of our life. And I thank You, Father, that this is the good pleasure of Your will.

We are going to know the kind intentions of God. And we are going to operate at a level we have never known or understood. Our inheritance is being made ready on our behalf and we thank You for that Father. We thank You. For Jesus' sake, amen.
