

INTENTIONAL INHERITANCE PROPHECY

2018 U.S. National Conference

GRAHAM COOKE SATURDAY PM SESSION

Beloved, I am determined to build a house in the earth, a temple of Goodness so tall, it's Light will be seen in the highest and lowest of places.

Goodness shall be the antidote to greed and self-preservation. Goodness will form the building blocks of trust and faith that shall make a way for untold millions to find their way into the Kingdom. It was the Goodness and the Kindness of God in and through His people that drew people into the Kingdom.

Real growth comes from the questions that you ask Me, not from the circumstances that question you. Fullness is the only certainty in life and I speak these words over you so that My joy may be in you and that joy will be full and you will learn to live every day under My smile. When the enemy comes calling, I will be the One that is laughing and you will be the ones that are grinning and laughing with Me.

I am commissioning you to cultivate Goodness in your life, in your city, in your region by partnering with the Holy Spirit. In these days of chaos, it shall be the evidence of being in Christ, of living in the New Man.

I am banishing measure from your midst. Measure cannot handle the chaos that is released upon the earth. Only a life focused on Goodness and Fullness can fully inherit all that Heaven is releasing into the earth. Only the Beloved will grasp the good pleasure of My will.

My people, do not disown My Glory. You are not the same as everyone else. And so you will prove. You are being changed from Glory to Glory so that the Bride will begin to be revealed in and through a state of astonishment! And the astonishment in the world will provoke the hardest of souls – a harvest so enormous it will change goat nations into sheep nations, goat cities into sheep cities.

And the Lord says, if you will it with me, no one will be safe from the Goodness of God. The Goodness of God will override and overrule and govern every area.

The stories of Glory must be recorded and sent around the world. In goodness, shall there become a union between the Head and the Body - and the mindset of the Bride shall speak from a new realm of anointing.

Behold I give you more promises than you will ever need. And we will create a new economy built on strategic extravagance of God in the earth. And the power of the Kingdom will overwhelm around the world.

Beloved, this promise is deeply personal to Me. It is personal for you, My people, and it carries My guarantee. My Word will not return to Me empty. It will accomplish My purpose. If you let go of it,

others will pick it up so that the promise will succeed in the manor for which I sent it. Let the promise impregnate your secret place so that it comes to fruition in you.

It is vital to Me that you allow these promises to put you ahead of worldly matters. So that you are ahead of the curve, so that in the news there will be real news of unprecedented acts of Goodness, unprecedented upturns in economies, miracles of provisions that make the feeding of the five thousands look like the Mad Hatters tea party. You will become the bandwagon that people will want to jump on.

And as world events darken, the landscape - your Light of Goodness will open the Heavens. Blessings, favor, miracles, and resources will flow into the places that connect with the Kingdom.

And the church will no longer be in recovery. Instead, it will bear the fulfillment of Isaiah 61:4. That in Goodness, you will rebuild the ancient ruins. In the promises of God, you will raise up the former devastations. In the enormous provision of the Kingdom, you will repair the ruined cities and the Goodness of God will touch the desolation of many generations.

We are in an unprecedented time together. Some of us have been training for this all our lives to live for something so profound, so enormous it dominates us. We become obsessed about the Goodness of God. This is a right time for us to step into this place because the world is in chaos but not us, never us. We are in the Kingdom. And His promise to us is, *as He is*, meaning Jesus, *so are you in this world*.
