

## We Can Help

Aglow has several avenues to escort people closer to becoming a true disciple of Jesus Christ, or to help sharpen your skills in evangelism and discipleship.

### ■ Transformation Trips

Our joy is to give opportunities for people to discover their God-given gifts and abilities through empowering evangelistic encounters both at home and abroad.

### ■ Prison Ministry

Join an established Prison Ministry group and become God's vessel to quench the yearning of a thirsty soul.

### ■ Friendship Evangelism

Begin to see every encounter with others as an opportunity to show the love and goodness of God. The Lord will open doors for you to share your story through acts of kindness as you "love your neighbor as yourself."

WHAT WE BELIEVE

about

**EVANGELISM**

*Then he said to his disciples, "The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field."*

## What is Evangelism? Loving God, Loving Others

- **Evangelism is a foundational principle** of Aglow. It matters to God, so it matters to Aglow.
- **Evangelism is LOVE in action.** 1 John 4, tells us that God is love and the one who loves God loves his brother. God's love compels us to reach out.
- **Evangelism is about relationships** that care about the eternal destiny of others. It's continuing to connect and show genuine interest as new believers grow and mature in their relationship with Christ.
- **Sharing the Good News** is a natural expression of who we are!

## Our Part, God's Part God Gives the Increase

The Kingdom of God has been likened to a field in varying stages of growth: from seed to stalk to harvest. God is in control of the process from start to finish, and we get to participate in response to His Spirit.

### Plant

At times we plant seeds. Today it may mean a "chance" discussion with the person sitting next to you. One conversation can help bring them closer to a relationship with Jesus.

### Water

Sometimes, we water a seed previously planted. Building relationship with someone not yet ready to become a friend of Jesus can ultimately influence them for the Kingdom.

### Harvest

Then, there are times when we get to reap the harvest when someone accepts our invitation to give lordship of their lives to Jesus.

reaches a heart.*
