AGLOW INTERNATIONAL

Dear friend,

What is Aglow? Simply put, Aglow is a work of God that is changing the world.

The very birth of Aglow is a miracle sustained since 1967 by the on-going, powerful work of the Holy Spirit. God has not allowed us to become root bound to our past. He has kept us on the edge of all He is doing using ordinary people in the nations of the world to make a difference in the lives of those around them. Only eternity will reveal what has been accomplished through God's people.

Acts 17:6 "These who have turned the world upside down have come here, too." certainly applies to Aglow. We are a group of encouragers who believe in living our lives in such a way that God's Goodness is poured out through us to those in our realm of influence.

God has spoken that there will be an Aglow presence in every city, town, and village around the world. If your dream is to be a part of a group of people committed to seeing God's will done on earth as it is in Heaven, I encourage you to get involved today!

Jane Hansen Hoyt

## WE ARE CHANGING THE WORLD

For more than 45 years, Aglow has been spreading the light and power of the Gospel to change lives. The real strength of this movement is its breadth — displaying His power, dominion, and authority in more than 170 nations on every continent except Antarctica. Yet Aglow materials have even made their way to that remote region!

Ordinary women and men — 20,000 volunteer leaders worldwide — touching 17 million lives annually through:

- Local groups offering encouragement in the Word, worship, prayer and personal ministry;
- Opportunities for each person to uncover their incredible identity in Christ, and to use their gifts for the Kingdom;
- A global prayer network with the capacity to digitally raise 1 million intercessors;
- Bringing awareness and education concerning critical Middle East issues, and logging hundreds of thousands of hours of corporate prayer for that region through weekly conference calls;
- Evangelistic teams transforming many nations and cities world-wide;
- Prison ministries reaching out to bring hope to women, men and teens.

Aglow truly is a transformational Kingdom culture with mindsets not of this world!
