

arising

...to a new identity

**Ontario Convention Center
Ontario, California**

October 4 - 6

Registration Opens April 1

Aglow is ARISING! Our 2011 Worldwide Conference in Houston was milestone in the history of Aglow. This year's conference builds on that momentum to propel us towards our destined purpose by allowing God to transform old mindsets and old ways; to inspire us to pick up our identity in Christ and live in the fullness of that truth! We are moving forward with intention & purpose to equip you and develop a Kingdom culture where we are leading others to access heaven's limitless provision. As your life is being changed you are becoming the visual aid of what it means to be in Christ! Make plans to be with us. You don't want to miss this fresh move of the Spirit!

- Jane Hansen Hoyt, President/CEO, Aglow International

voices

Our general sessions for this conference will feature Jane Hansen Hoyt and Graham Cooke, tag-teaming to bring an impartation that will open us up to all that Heaven wants us to be in Aglow. This is a season of change. We're learning to do the business of Heaven here on earth. We are becoming the fulfillment of all the Father's intention for His creation in this life. Come prepared to receive.
