The Joy in Intimate Alignment

Put everything down and let me prophesy over you and we will see if we can land this plane.

I think this is what the Father really wants us to know. There is a joy in intimate alignment that removes all the weariness of life. There is a place set aside for you where all struggle ceases and you enter into fullness of rest and peace.

And the Lord says, “As you worship Me, as you wait on Me in delight, you will be wonderfully renewed. It is in intimate strength that I have arranged for you to view life from a higher realm. And as My Spirit gives your spirit wings so you will be raised up in your intimacy to be close to We are learning there is a different language. There is a different perception. There is a different mindset. And you may come before the Throne of Grace and receive everything you need. You are My people – My Beloved and it is My absolute intention to raise you up out of circumstances, out of a culture you no longer have any business being in, because I have redeemed you from that. It is not your place to walk in those things. It is your place to walk in the high places with Me. It is your place to sit with Me far above, far above, far, far above and enjoy the view.”

“I will supply you with a confidence so large; it shall become a new boldness of Spirit. And you will have power to stand, to run, and to walk without tiring. You will see miracles in your physical body – miracles in your physiology that as you come into a place of intimacy, intimacy will act on you physically and you will become stronger, more fit, more powerful, and you will live longer and you will not be debilitated in any way. You will have a new energy. A fresh power will pick you up physically and with strengthen you powerfully.”

“In your intimacy receive a fresh anointing to learn the power of rest and peace. Your soul is always untroubled when it lives in the shadow of your Spirit in Christ.”

“I love rest,” says the Lord. “And I love you. I will let you know My Peace which will always guard your heart and your mind. Everything I do is easy for Me. I have no heavy burdens. My Joy is so powerful it lifts everything around Me. This is what I have invited you into. This is your place. Right here with Me.”

“I have given you a Helper. Listen to Him. Allow no other voice to overshadow His and We – We will commune with you. You are in Christ now. You are not your own. You have a different body. You are in Christ. That was Our plan from the beginning – to have you become one of Us so that you would become like Us and We would live in you. Beloved, it is still the plan. It is time to extricate yourself from the affairs of this world and to become a citizen of Heaven and to become involved in that dimension of life that We bring to you freely and joyfully.

We are making you like Us and We love what We are doing. We love what We are doing in you with you. We love partnering with you. We love talking to you. We love listening to you. We love being with you. We love helping you. We love anointing you. We love lifting you. We love encouraging you. Work with Us. Stop working with the enemy. Work with Us. We have better benefits. We have better benefits. We have no sickness packages. You are in the Kingdom now. You are in the Domain of the King. Let's learn how to abide there. And learn how to take advantage of everything that your God wants to give you. This is your day. This is your time. You have still got time to rise up and to be absolutely, thoroughly brilliant. Let's do it."

Let's pray. Father, we thank You for Your joyful intentionality. No one loves us like You love us. No one understands us like You understand us. No one is so geared to making us triumphant as You. No one is so enthusiastically ready and willing and able to life us into a better lifestyle than You. We love You, Lord. We bask in Your love all the time. It is amazing to us that You love us so well, that You see us so perfectly. Our response, Lord, is just to say, "We are coming. We are coming. Make sure You have enough food in because we are coming." In Jesus' Name, Amen
