DISCUSSION QUESTIONS

1. Since 2003 when God said that He was unplugging us from the past and rewiring us for the future, Aglow has been in transition moving from a Church culture to a Kingdom culture. What are some of the ways you have seen changes taking place in your local group? Your Area Team? Your National Team?
2. How would you define a Church culture?
3. How would you define a Kingdom culture?
4. After reading through this message, what expressions can you identify in your local group? In your Area events? In your Regional events?
5. We are carriers of the Presence of God. A prophetic word over Aglow tells us that people will begin to give into the Presence of God in our midst. How is your team hosting the Presence of God? How does your team give expression from a place of intimacy as the Bride of Christ? Look at Keys 16-22.

6. As a group who is to give expression as the Army of the Lord, how are you providing training that is raising soldiers and warriors who know how to overcome evil with goodness, to take territory and keep it, and to bring restoration to things lost in your community? See Keys 9-15

7. In the first expression of the church, The Household of Faith, Graham talks about the importance of unity. What steps has your group taken that brings unity even though some in the group may not be of the same opinion? See Keys 7-8. How does one become mature in the Lord? See pages 3-4

8. As a part of the Army of the Lord, one of our weapons is prayer. How has your team shifted from praying like a widow to praying like a Bride? How has your team learned to pray from a place of Grace rather than judgment? See page 8-11

9. Pages 11-13 talk about the Body of Christ. How does your team work with the larger Body of Christ within your community?

10. How is your group becoming known in your community as a City set on a Hill?
