(Slide 1) Aglow has continually risen to a higher place of authority as we’ve understood God’s instruction to us. Beginning in 1981, Jane first spoke a message in Aglow that has become one of Aglow’s mandates – male/female reconciliation. Each time the message is spoken, Jane has defined dominion according to Genesis 1-3.

(Slide 2) From the beginning God told us what dominion would look like in the earth. It was male and female. This is the structure God designed to deal with the enemy. It is the structure through which He would not only deal with Satan, but also reveal Himself to the world. It is God’s master plan.

As we have looked back and understood the ways God has led the ministry forward, it is astounding to see how He has spoken to us with increased intentionality and purpose. Each year has built upon the previous year. Our focus has become clear, our identity defined, our purpose revealed. It has been as though His hand was on our back, propelling us into the future. Each step has been taken with His permission, filled with His delegated authority.

It is time for the Bride, both male and female, to be positioned in the places God has called. We must be found carrying out our duties and fulfilling our commitments. As Jane has said, we must begin to rise up in authority, walk the length and breadth of our land, and proclaim that the Kingdom of God has come.

Be fruitful and multiply

(Slide 3) Aglow began in the United States in 1967 and quickly spread into Canada.

» By 1977, Aglow groups were meeting in 10 nations of the world.
» By 1987, there were 1,840 Lighthouses in the United States and 773 fellowships growing in 79 nations.
» By 1997, Aglow was in 132 nations.
» In 2007, the ministry had leadership in 165 nations with over 4,000 Lighthouses and fellowships.

In April of 2006 a prophetic word came to the ministry foretelling that there would be a Lighthouse in every city in the world.
I saw a lighthouse in every city, in every state, in every country on the whole planet. I saw the beam of light going around and connecting with the lighthouses around it. It became a wall of pure light that surrounded the whole world. And that light illuminated the darkness and the name of Jesus was glorified...and the power of God was brought down out of the heavens. The Glory of God was revealed to men and all men saw it together.

In 2009 Linda Jones, Executive Directors of the Worldwide Field Office – USA, and Jervae Brooks, Executive Director of the Worldwide Field Office – International, expressed a vision to see a prayer group with a minimum of 2 people, beginning in nations and towns where there is no Aglow presence. Nancy McDaniel, Aglow’s Prayer Director, is working to establish prayer groups in every state and national capital, especially in nations where there is no Aglow presence. Aglow will be in every nation and every city conducting Kingdom business and walking in Kingdom authority.

Built on a strong foundation of prayer and evangelism, strengthened by the mandates which bring a global vision from a Biblical perspective, Aglow women and men have become an army of intercessors that surround the world. We are a global network consisting of thousands of groups, committed to making a difference by reaching beyond ourselves and bringing Godly transformation to our nations by aligning with Heaven and proclaiming prophetic words and promises spoken to the ministry. With a click of a button, over 1 million intercessors are able to declare that God’s will be done in any situation. We are destined to reign.

(Slide 11) Each step the ministry has advanced has been strategic and intentional.

(Slide 12) We, as part of the Bride are making ourselves ready, and we are reigning daily.
Prophecy is history spoken in advance. Looking back on the prophetic word revealing to us that there would be a Lighthouse in every city in the earth, we can see that as time continues, more and more Aglow Lighthouses will be established in the nations of the world. What steps does your team/board have in place to see that a Lighthouse/fellowship is established in each town or village in your area/nation? (If your team/board does not have an active plan to see groups established, take time to formulate steps to reach this goal.)

Knowing that it is the love of God that draws the lost, His goodness and kindness that softens the hardest of hearts, discuss the ways your Lighthouse will release these aspects of God’s character into your communities. (Use the back of this page to capture thoughts and plans.)
