*Every person touched is a life transformed by God!!*

The purpose of this Aglow Transformation Outreach is to provide an evangelistic opportunity that has the potential to transform lives. Our goal is to help these Christian leaders to be equipped to minister to the whole person: spirit, soul and body. By showing the tangible love of Jesus that will encourage and bring hope, we will empower these leaders to be better equipped to meet the needs of the people in their communities. Our hope is that those who learn will be able to help others to learn, sharing the love of Jesus, who cares for all people and wants them to experience a personal relationship with Him. Our goal is transformed people who impact their families and communities for Christ.
